City of Sheboygan Green Tier Legacy Community Sustainability Plan and Baseline Report with Action Steps
– Nancy Maring

The short and long term action steps were distributed. The Task Force asked if the Action Steps had been or needed to be approved by the Common Council, and also wanted more direction from the Mayor and City Planning regarding how to proceed regarding the Steps. City planning will use nextdoor.com to communicate with neighborhoods concerning the Green Tier project. Nancy will email the Action Steps to the Task Force again before the Sept. 2014 Task Force meeting.

The next statewide, Green Tier quarterly meeting will be held in Sheboygan this September. Task Force members will be notified of time and date, should this be an open meeting.
