Parents or Guardians of Juvenile Offenders:

In an opinion published by the Attorney General's Office, the responsibility of parents or guardians to ensure the compliance of their children to complete court-ordered sentence was defined. This opinion states, in part: "There is no question that under Wisconsin State Statutes §938.45(1r)(b),...Municipal Courts have statutory authority to order the parents/guardians of a juvenile to pay a forfeiture imposed on their child."

This letter is to serve as notice that if your child does not pay the forfeiture and/or restitution that has been ordered by this Court, you as the parent or guardian of this child, will be summoned to the Village of Kohler/City of Sheboygan Municipal Court.

At that time, you may be held responsible for any and all forfeitures or restitution that has not been paid by your child. Furthermore, you may be served with citations for violation of ordinances, Contempt of Court and/or Parental Responsibility. These fines may amount up to \$5,000.
