## **Wildwood Cemetery**

**Sheboygan, WI, 9/21/15** – The City of Sheboygan Department of Public Works would like to remind you that all Spring/Summer artificial flowers and other memorial items should be removed from Wildwood Cemetery by October 15. Please avoid disappointment and remove your treasured items. The cemetery caretakers will remove and dispose the items remaining after this date.

Please refrain from placing Christmas wreaths on the graves until after Thanksgiving to give the caretakers an opportunity to clean up the leaves without damaging your decorations. Christmas wreaths must be removed by April 1 of each year.

### **Distribution by email:**

Mary Rajer, Mayor's Office  
David Biebel, Director of Public Works, City of Sheboygan
