

# Library Plaza and Fountain Updates

Presentation to Common  
Council on March 18, 2019

By Chad Pelishek and  
Nancy Maring, Dept. of City  
Development

# Enlivening Under Utilized Urban Spaces- 2015

Identified key  
locations for public art  
and other key  
connectivity places

# Project Area

# 2014 Downtown Harbor Centre Master Plan

- Identified the Library Plaza as a key area for redevelopment.
- The plan identified the library plaza has a significant potential to increase activity in the center of 8<sup>th</sup> Street.
- Connects to the City Green development and provides the last update of underutilized sites along 8<sup>th</sup> Street.

# Removal/ Repurposing of the Clock Tower

Repurposed panels from clock tower as lit up sculptures.

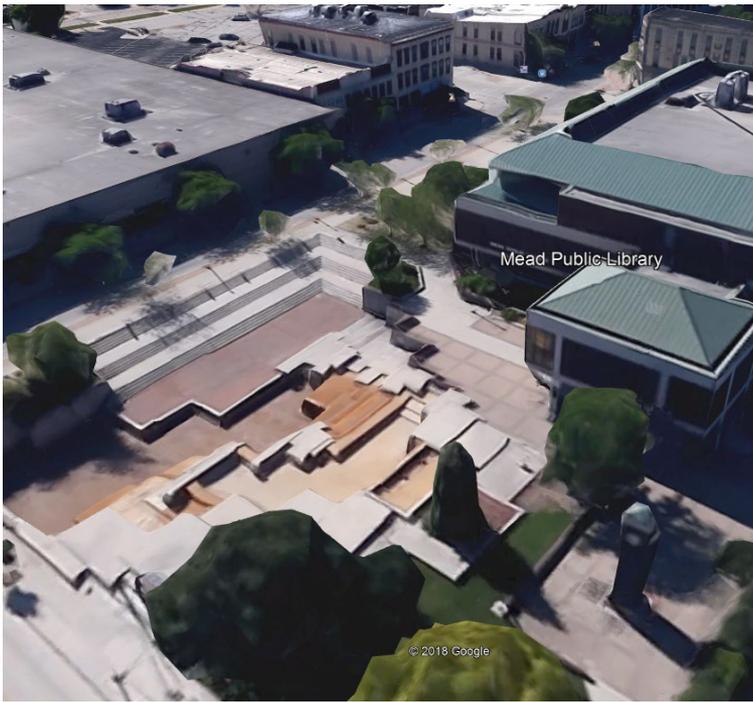

# Halprin Fountain Updates

# Halprin Fountain Updates

# Funding Sources

- TID 16 Capital Project Fund: \$400,000
- HUD CDBG: \$237,000

PROJECT START DATE: April 2019 and completed by mid August, weather depending.

Contractor will need to provide access both pedestrian and book drop off at all times during construction. Book drop off may be closed for a day depending on paving schedule.
