

SMALL BUSINESS EMERGENCY ASSISTANCE FUNDING

This is a new program being offered to City of Sheboygan small businesses only during the COVID-19 pandemic. Utilizing additional funding received by the CARES Act of the City's Community Development Block Grant-CV, this program will help bridge the gap for small businesses enduring hardship during this difficult time.

The Emergency Assistance Fund targets Sheboygan businesses with five (5) or fewer employees as defined by HUD's microenterprise definition, and addresses disparities in minority lending and business ownership in the City of Sheboygan.
