If Developer fails to fully and timely provide the Required Information, as determined in the sole discretion of the City, the Developer shall be in Default under this Agreement. If Developer does not provide such Required Information within thirty (30) calendar days after the City provides Developer written notice of such Default(s), the City shall have the right to terminate this Agreement and shall have no obligation to perform any act under this Agreement (including, without limitation, issuing the MRO).

ARTICLE II – COMMENCEMENT NOTICE AND DEVELOPER IMPROVEMENTS

- **2.1** Commencement Notice. Developer shall provide a written notice to the City of Developer's intention to commence the Project on or before October 1, 2024 (the "Commencement Notice"). To be effective, the Commencement Notice shall be accompanied by, or Developer shall have previously delivered to the City, all of the Required Information. If Developer does not timely provide the Commencement Notice and all of the Required Information to the City, Developer will be deemed to not be ready to develop the Project and be in Default under this Agreement. If Developer does not cure all outstanding Default(s) within thirty (30) calendar days after the City provides Developer written notice of such Default(s), the City shall have no obligation to perform any obligation of the City under this Agreement (including, without limitation, issuing the MRO) and the City may terminate this Agreement.
- **2.2** <u>Developer Improvements</u>. Developer shall undertake, at Developer's own expense, the following improvements, obligations and work on the Property consistent with the Final Plans and all applicable laws, regulations and ordinances (collectively, the "**Developer Improvements**"):

Developer shall commence construction of: (i) the first phase of the Project (installing footings for the southern building on the Property comprised of a combined 72 unit and 80 unit build as depicted in the site plan attached as Exhibit C, the "First Phase") on or before May 1, 2025; and (ii) the second phase of the Project (installing footings for the northern building on the Property comprised of an at least fifty-eight (58) unit build as depicted in the site plan attached as Exhibit C, the "Second Phase") on or before December 31, 2026. Upon such commencement, Developer shall proceed to the fully-satisfy and complete all of the

improvements, obligations and work set forth in this Section 2.2 with due diligence and without unreasonable delay or interruption (with the exception of force majeure events, if any, as defined in Section 16.10 below). On or before May 1, 2026 (the "First Phase Completion Date"), the First Phase of the Project shall be completed, and on or before December 31, 2027 (the "Second Phase Completion Date") the Second Phase of the Project shall be completed and on the Second Phase Completion Date at least two hundred ten (210) residential units shall be available for occupancy.

- (b) Developer shall promptly pay for all applicable City impact fees and charges related to the Project. As additional consideration to Developer for this Agreement, and so long as no Default occurs under this Agreement, the City agrees to defer the due date for the payment of impact fees to on or before thirty (30) calendar days after the earlier of Developer receiving: (i) a certificate of occupancy for all residential units in the Project, or (ii) a certificate of substantial completion from Developer's architect for the Project.
- (c) Developer shall be responsible for all landscaping on the Property, including, without limitation, trees, shrubs, seeding or sod related to the Project.
- (d) Developer shall install, or have installed, all electric, gas, fiber-optic, telephone and cable services and all improvements for the use and operation of the Project.

- (h) Developer shall be responsible for all costs related to the work to be performed by Developer under this Agreement, including, but not limited to, all applicable engineering, inspections, materials, labor, permit, impact, license and any and all other fees.

The obligations on Developer under this Agreement shall be deemed covenants running with the land and shall be applicable to Developer's successors and assigns and all other persons or entities acquiring any interest in the Property during the term of the District.

2.3 Progress and Quality of Work. Upon commencement of the Developer Improvements, Developer shall proceed to the full completion of the Developer Improvements with due diligence and without delay or interruption with the exception of force majeure events, if any, as defined in Section 16.10 below. Subject to the foregoing, completion of the First Phase of

the Project (as evidenced by the issuance of an occupancy permit on the Property for the First Phase) shall occur on or before the First Phase Completion Date, and completion of the Second Phase of the Project (as evidenced by the issuance of an occupancy permit on the Property for the Second Phase) shall occur on or before the Second Phase Completion Date. All work to be performed by or on behalf of Developer related to the Project shall be performed in a good and workmanlike manner, consistent with the prevailing industry standards for such work in the area of the City.

- **2.4** <u>Compliance Obligations</u>. All of the Developer Improvements shall be completed in accordance with all applicable laws, regulations, ordinances and building and zoning codes and Developer shall, at Developer's cost, obtain and maintain all necessary permits and licenses for the Developer Improvements.
- 2.5 <u>Indemnification and Insurance Required of Private Contractors</u>. Developer hereby expressly agrees to indemnify and hold the City harmless from and against all claims, costs and liability related to any damage to the Property or injury or death to persons caused by Developer's performance of the Developer Improvements or any other work required of Developer under this Agreement, unless the cause is due to the willful misconduct by the City.
- **2.6** Compliance with Law. Developer shall comply with all applicable laws, ordinances, and regulations in effect at the time of final approval when fulfilling its obligations under this Agreement. When necessary to protect the public health, safety or welfare, Developer shall be subject to any applicable laws, ordinances and regulations that become effective after approval.
- **2.7** Payment of Taxes. Developer shall timely pay and discharge all taxes, assessments and other governmental charges upon the Property when due.
- **2.8** Time is of the Essence. Time is of the essence with reference to Developer's obligation to commence and complete the Developer Improvements. Developer acknowledges that the timely performance of its respective work under this Agreement is critical to the collection of the tax increment upon which the parties are relying for the performance of their respective obligations under this Agreement.
- 2.9 Reconstruction. Until the District is closed, in the event of any casualty, loss or damage to the improvements on the Property, Developer shall proceed with the repair and replacement of such improvements on the Property affected by such a loss or damage and restore such improvements to at least the condition and quality that such improvements were in, and with an equalized value at least equal to the equalized value, immediately prior to the casualty, loss or damage (each an "Uncured Casualty Loss"). Subject to force majeure delays, in no event shall Developer take longer than one hundred eighty (180) calendar days after the date of a loss or damage to restore the affected improvements. If Developer fails to timely comply with all of the requirements in this Section 2.9, Developer shall be in Default under this Agreement and the City shall be entitled to the remedies set forth in this Agreement and available in equity or applicable law.

ARTICLE III- DEVELOPER GUARANTY AND OBLIGATIONS

- Guarantied Value. The parties anticipate that, upon completion, the currently contemplated land and improvements related to the Project will have an equalized value for purposes of real property assessment ("Equalized Value") of not less than Forty Million Dollars (\$40,000,000.00; the "Guarantied Value") by December 31, 2027. As a condition to entering into this Agreement, the City requires that Developer guaranty a minimum Equalized Value for the land and improvements related to the Project. By executing this Agreement, Developer and Jacob Buswell (the "Guarantor") each hereby jointly and severally guaranties that, on and after December 31, 2027 (the "Guarantied Value Date"), the Equalized Value of the land and improvements on the Property shall at all times during the life of the District be at least the Guarantied Value. If the Equalized Value of the Property is less than the Guarantied Value any time on or after the Guarantied Value Date, the Developer shall be in Default under this Agreement.
- 3.2 <u>Failure to Construct</u>. If Developer provides a Commencement Notice as required by Section 2.1 but does not timely complete construction of the Project as herein provided, then Developer and Guarantor shall pay to the City all sums incurred by the City with regard to the preparation and drafting of this Agreement and all other sums not recoverable from Tax Increments (as defined below). All repayments shall be completed within thirty (30) calendar days after Developer's non-performance or Default under this Agreement.
- Guaranty Obligations. If on or any time after the Guarantied Value Date, 3.3 whether as a result of an Uncured Casualty Loss or otherwise, the Equalized Value of the Property is less than the Guarantied Value (each a "Shortfall Event"), then Developer and the Guarantor shall jointly and severally owe the City an amount equal to the difference between (a) the Tax Increment the City otherwise would have received on the Property's Equalized Value equaled the Guarantied Value, and (b) the Tax Increment received by the City in the year a Shortfall Event occurs (such difference between (a) and (b) being referred to herein as the "Tax Increment Shortfall"). If a Tax Increment Shortfall is owed to the City, then unless and until the Equalized Value of the Property increases to at least the Guarantied Value, for each January 1 following a Shortfall Event, that the Equalized Value of the Property is less than the Guarantied Value, Developer and the Guarantor, shall pay to the City an amount equal to the Tax Increment Shortfall for such calendar year. If and when the Equalized Value of the Property as of any January 1 is equal to or greater than the Guarantied Value: (i) the Default related to noncompliance with the Guarantied Value requirement shall be deemed cured, (ii) no further January 1 assessment valuations shall occur or be required, and (iii) no Tax Increment Shortfall payment obligation shall be incurred for such year or any year thereafter, unless a new Shortfall Event occurs. If a Tax Increment Shortfall continues through the closing of the District, no further Equalized Value assessment calculations shall occur and no further Tax Increment Shortfall payment obligations of Developer or the Guarantor shall arise after the District is closed. Developer agrees that it shall not, and hereby waives any right to, during the life of the District, challenge the assessed value of the Property.
- 3.4 Payment of Tax Increment Shortfall. Any Tax Increment Shortfall payment due to the City shall be deducted from any MRO payment (otherwise due Developer but for the Default) from the City during the year in which the Tax Increment Shortfall payment

obligation arises. If the Tax Increment Shortfall payment exceeds the amount of such MRO payment, Developer and Guarantor shall pay to the City an amount equal to the difference between such MRO payment and the Tax Increment Shortfall. If there is no MRO payment due Developer for such year, Developer shall pay to the City the full amount of the Tax Increment Shortfall for such year. Any Tax Increment Shortfall payment due to the City from Developer pursuant to this ARTICLE III shall be made within ten (10) days of written request for payment by the City.

ARTICLE IV – ACCESS, INSPECTIONS AND CONTRACTORS

- **4.1** <u>Access and Inspections.</u> Developer hereby grants to the City, its agents, employees, officials, representatives, contractors and consultants the right to enter upon the Property at all reasonable times (upon reasonable advance notice to Developer) for the City to inspect the Property and the Project.
- **4.2** Inspections for City's Benefit Only. Each inspection conducted by the City or the City's agents shall be deemed to have been for the City's own benefit and shall in no way be construed to be for the benefit of or on behalf of Developer. Developer shall not (and hereby each waives any right to) rely in any way upon such inspections, appraisals or determinations of the City.
- 4.3 <u>Contractors and Consulting Engineers</u>. At any time, the City shall have the right to retain consulting engineers and architects to perform services for the City (which shall be at the City's expense, unless the City must perform inspections as a result of Developer's failure to meet the Final Plans then such expenses will be at Developer's expense) including, without limitation:
 - (a) to make periodic inspections with reasonable advance notice to Developer for the purpose of assuring that construction is in accordance with the Final Plans and the requirements of this Agreement;
 - (b) to advise the City of the anticipated cost of, and a time for, the completion of construction work; and
 - (c) to review and advise the City of any proposed changes in the construction of the Project.

The City's selection of, and reliance upon, the consulting engineers and architects shall not give rise to any liability on the part of the City for the acts or omissions of the consulting engineers or architects or their employees or agents.

Contractors selected for the Project shall be qualified in the City to perform the work, shall be licensed to do business in the State of Wisconsin, shall have experience in providing the type of work and materials required of Developer Improvements, and shall have a good reputation for diligent performance of their obligations under their respective contracts.

ARTICLE V - MUNICIPAL REVENUE OBLIGATION

5.1 Municipal Revenue Obligation. Pursuant to the terms of this Agreement, the City agrees to issue to Developer, within ninety (90) calendar days after the City's receipt of the

Commencement Notice, a non-interest bearing municipal revenue obligation (the "MRO"). The amount paid under the MRO shall equal *the lesser of*:

- (a) Eight Million Dollars (\$8,000,000.00); and
- (b) The sum of all payments made by the City on the MRO during the life of the District but in no event after the Final Payment Date (as defined below).

Except as otherwise provided herein, payments on the MRO will equal the Available Tax Increment in each year appropriated by the City's Common Council until and including <u>the earlier</u> <u>of</u> the date this Agreement is terminated, the date the District is terminated, the Final Payment Date and the date the MRO is paid in full. "Available Tax Increment" means an amount equal to:

- (a) ninety-five percent (95%) during the life of the District for calendar years 2027, 2028, 2029, 2030 and 2031, and
- (b) seventy-five percent (75%) during the life of the District for each calendar year after 2031 but on or prior to the Final Payment Date,

of the difference between the Tax Increment actually received by the City and appropriated by the City's Common Council in each year less the following (collectively, the "Priority Project Costs"): (i) all debt service payments incurred or to be incurred by the City in a given year for work performed or to be performed with regard to the Project or the Property; (ii) the amount of the City's administrative expenses, including, but not limited to, reasonable charges for the time spent by City employees in connection with the negotiation and implementation of this Agreement, (iii) professional service costs, including, but not limited to, those costs incurred by the City for outside architectural, planning, engineering, inspections, financial consulting and legal advice (including, without limitation, attorneys' costs and fees) and services related to the negotiation and implementation of this Agreement, and (iv) other eligible project costs previously incurred by the City in preparation for this Project or to be incurred by the City under the Project Plan, including, without limitation, site preparation and costs and expenses related to the Property or the Project provided such eligible project costs are not financed by the debt service referenced in (i) above. Any Priority Project Cost not paid due to insufficient Tax Increment shall be carried forward and paid from Tax Increment in the next year, or if necessary, following years until fully paid. "Tax Increment" shall have the meaning given under Wis. Stat. § 66.1105(2)(i) but shall be limited to the Tax Increment attributable to the Project, the land and improvements on the Property.

Provided that Developer is not in Default under this Agreement, the City shall, subject to annual appropriation of such payment by the City's Common Council, pay the Available Tax Increment, if any, to the holder of the MRO in one annual payment, on or before October 31st of each year commencing on October 31, 2027, and continuing to (and including) the earlier of the date the MRO is paid in full or October 31, 2051 (each, a "Payment Date"). Notwithstanding the previous sentence, in the event that Developer is in Default on a Payment Date, payment by the City may be suspended until all outstanding Defaults are cured.

To the extent that on any Payment Date the City is unable to make all or part of a payment of principal due on the MRO from such Available Tax Increment due to an absence of adequate Available Tax Increment, non-appropriation by the City's Common Council or otherwise, such failure shall not constitute a default by the City under the MRO. The amount of any such deficiency shall be deferred without interest. The deferred principal shall be due on the next Payment Date on which the City has the ability to payout Available Tax Increment. The term of the MRO and the City's obligation to make payments hereunder shall not extend beyond the earlier of October 31, 2051 (the "Final Payment Date") or the date the MRO is paid in full. If the MRO has not been paid in full by the Final Payment Date, then the City shall have no obligation to make further payments on the MRO. Upon the earlier of the date the MRO is paid in full and the Final Payment Date, the MRO shall terminate and the City's obligation to make any payments under the MRO shall be fully discharged, and the City shall have no obligation and incur no liability to make any payments hereunder or under the MRO, after such date.

The MRO shall not be payable from or constitute a charge upon any funds of the City, and the City shall not be subject to any liability thereon or be deemed to have obligated itself to pay thereon from any funds except the Available Tax Increment which has been appropriated for that purpose, and then only to the extent and in the manner herein specified. The MRO is a special, limited revenue obligation of the City and shall not constitute a general obligation of the City. The City will use good faith efforts to annually appropriate the Available Tax Increment for the MRO, until the earlier of the Final Payment Date, the termination of this Agreement or the MRO, or the payment in full of the MRO as provided herein. If Available Tax Increment is received by the City earlier than the first Payment Date, the applicable portion of such increment shall be retained by the City and applied to the first payment subject to appropriation by the City Common Council. Developer shall not have the right to assign the MRO except as set forth therein. Interests in the MRO may not be split, divided or apportioned.

- Agreement as Exhibit D (which is incorporated herein by reference) and shall be payable in accordance with the terms and conditions set forth in this Agreement and such MRO. In the event of a conflict between the terms of this Agreement and the terms of the MRO, the terms in this Agreement shall prevail. The principal payments shall be payable solely from the Available Tax Increment appropriated by the City. On or about each Payment Date under the MRO, the City shall provide to Developer an accounting identifying the Available Tax Increment, the amount of the payment being made on such Payment Date, and, if applicable, the remaining principal balance due on the MRO after the application of such payment.
- 5.3 <u>Issuance of MRO and Payment Limitation</u>. Provided that Developer is not in Default under this Agreement beyond the applicable cure period (if any), the City will deliver the MRO to Developer within ninety (90) calendar days after the City's receipt of the Commencement Notice. Notwithstanding the previous sentence, in the event that Developer is in Default prior to the City's issuance of the MRO, the City shall not be required to deliver the MRO to Developer until a reasonable time after, but in no event less than thirty (30) calendar days after, all such Defaults are cured, provided each Default is cured within the applicable cure period for such Default. If the City does not timely provide the MRO to Developer, the Developer shall make a written request to the City to deliver the executed MRO within thirty (30) calendar days after the

date of such written request by the Developer. The total amount of principal to be paid under the MRO shall in no event exceed *the lesser of*:

- (a) Eight Million Dollars (\$8,000,000.00); and
- (b) The sum of all payments made by the City on the MRO during the life of the District but in no event after the Final Payment Date.

The City's obligation to make payments on the MRO is conditioned on the requirement that Developer is not in Default under this Agreement. For the avoidance of any doubt, upon the occurrence of a Default, the City may suspend all payments until the Default is cured and, upon the expiration of all applicable cure periods for such Default, the City may exercise any and all available remedies.

5.4 Payment of Priority Project Costs and Repayment Schedule. From the Tax Increment received by the City each year, the City shall first pay the outstanding Priority Project Costs. The estimated repayment schedule of the MRO shall be set forth in Schedule 1 to the MRO. The City reserves the right to modify the MRO repayment schedule based upon market conditions, applicable Priority Project Costs and the actual and projected Available Tax Increment generated from the Project. The Available Tax Increment held by the City each year shall be applied to the payment of principal due on the MRO in accordance with the payment schedules set forth in such MRO until a maximum payout has been made (which equals the Available Tax Increment for a given year), subject to appropriation by the City Common Council.

ARTICLE VI – ZONING, LAND USE AND RESTRICTIVE COVENANT

- **Zoning Compliance.** The Project shall be in compliance with the applicable zoning ordinance and land use guidelines applicable to the Property and shall be subject to the payment of any applicable impact fees in the amounts applicable at the time each required permit is issued, unless otherwise provided herein. Nothing in this Agreement shall obligate the City to grant variances, re-zoning, exceptions or conditional use permits related to the Project.
- (which may be withheld for any reason), Developer shall not use or permit the use of the Property in any manner which would render the Property exempt from property taxation during the life of the District. Further, Developer will not challenge or contest any assessment on the Property by the City, including, but not limited to, filing any objection under Wis. Stat. Section 70.47, Wis. Stat. Section 74.37, or any Department of Revenue related assessment proceeding. Prior to the conveyance of all or any portion of the Property, Developer agrees to record on the Property with the Sheboygan County Register of Deeds a deed restriction or restrictive covenant evidencing the restrictions on the Property set forth in this Section 6.2. The foregoing deed restrictions or restrictive covenants shall permit, but shall not obligate, the City to enforce such deed restrictions or restrictive covenants and shall be in form and in substance acceptable to the City. The deed restrictions or restrictive covenants shall continue to be applicable until the termination of the District. However, Developer shall not have a continuing obligation for compliance with this provision as to any portion of the Property in which Developer no longer maintains any interest

(whether as owner, tenant, occupant or otherwise) provided that Developer has timely recorded the deed restriction or restrictive covenant as approved by the City.

6.3 Land Dedications, Transfers and Easements for the Project. Developer agrees to make such land dedications and to grant such temporary or permanent easements as are required by the City for the construction and maintenance of the Project. All documentation for such dedications or easements shall be in form and substance acceptable to the City and Developer. Developer agrees to cooperate with the City if the City desires to prepare certified survey maps or other documentation as deemed appropriate by the City to facilitate the implementation and documentation of such dedications and easements and to adjust the lot lines of the Property in a manner reasonably acceptable to the City and Developer.

ARTICLE VII - ASSIGNMENTS AND CHANGES OF CONTROL

7.1 Assignments and Change of Control. This Agreement and the MRO shall not be assignable by Developer without the prior written consent of the City (which may be withheld by the City for any reason). The ownership or control of Developer shall not be transferred to any person or entity without the prior written consent of the City (which may be withheld by the City for any reason). The prohibition on the transfer of ownership or control shall not be applicable in the event of the death of a member and the interest being transferred is the deceased member's interest. The term "ownership or control" shall mean twenty percent (20%) or more of the Ownership Interests in Developer. For the purposes of this Agreement, "Ownership Interests" shall mean the members' rights to share in distributions and other economic benefits of Developer, the members' rights to participate in decision making, or both. The current members of Developer are identified on Exhibit E attached hereto and incorporated herein by reference.

In the event this Agreement is assigned by Developer, such assignee shall execute all documents required by the City to confirm that such assignee is bound by the terms of this Agreement and agrees to perform all of Developer's obligations set forth in this Agreement. Further, in the event this Agreement is assigned by Developer, Developer agrees to remain jointly and severally liable for all obligations of the Developer (whether to be completed by itself or its assign) under this Agreement.

Notwithstanding any provision herein to the contrary, this Agreement and the MRO may be collaterally assigned to a mortgage lender financing the development and completion of the Project.

ARTICLE VIII – DEVELOPER REPRESENTATIONS, WARRANTIES AND COVENANTS

- **8.1** <u>Developer Representations, Warranties and Covenants</u>. Developer represents, warrants and covenants that:
 - (a) Developer is a limited liability company duly formed and validly existing in the State of Wisconsin, has the power and all necessary licenses, permits and franchises to own its assets and properties and to carry on its business, and is in good standing in the State of Wisconsin and all other jurisdictions in which failure to do so would have a material adverse effect on its business or financial condition;

- (b) Developer has full authority to execute and perform this Agreement and the Offer and has obtained all necessary authorizations (whether by official board resolution or action, unanimous written consent in lieu of a meeting or otherwise) to enter into, execute, perform and deliver this Agreement and the Offer;
- (c) the execution, delivery, and performance of Developer's respective obligations pursuant to this Agreement and/or the Offer will not violate or conflict with (i) Developer's articles of organization, operating agreement or any indenture, instrument or agreement by which it is bound, (ii) any other agreement to which Developer is a party, or (iii) any law applicable to Developer, the Offer or the Project;
- (d) this Agreement constitutes (and any instrument or agreement that Developer is required to give under this Agreement (including, without limitation, the Offer) when delivered will constitute) legal, valid, and binding obligations of Developer enforceable against Developer in accordance with their respective terms;
- (e) Developer will expeditiously complete the development and construction of Developer Improvements and the Project in a good and workmanlike manner and in accordance with all acceptable statutes, ordinances and regulations, any restrictions of record and the Final Plans provided to the City regarding the Project;
- (f) Developer will not make or consent to any material modifications to the Final Plans without the prior written consent of the City;
- (g) Developer will discharge all claims for labor performed and materials, equipment, and services furnished in connection with the construction of Developer Improvements and the Project; nothing contained in this Agreement shall require Developer to pay any claims for labor, services or materials which it, in good faith, disputes and is currently and diligently contesting, provided, however, that Developer shall, within ten (10) calendar days after the filing (or the assertion) of any claim of lien that is disputed or contested by Developer, obtain and record (if required by the City) a surety bond sufficient to release said claim or lien or provide the City with other such assurances that the City may require;
- (h) Developer will take all steps to forestall claims of lien against the Property (any part thereof or right or interest appurtenant thereto) or any personal property and fixtures located or used in connection with the Property;
- (i) Developer will maintain, at all times during construction, a policy of builder's risk completed value and contractor's multiple perils and public liability, extended coverage, vandalism and malicious mischief hazard insurance covering the Property in at least the amount of the full replacement, completed value of the improvements on the Property;
- (j) Developer will timely pay and discharge all taxes, assessments and other governmental charges upon the Property when due, as well as claims for labor and materials which, if unpaid, might become a lien or charge upon the Property;

   183 of this Offer, a list of all federal, state, county, and local conservation, farmland, environmental, or other land use programs, 184 agreements, restrictions, or conservation easements, which apply to any part of the Property (e.g., farmland preservation
   185 agreements, farmland preservation or exclusive agricultural zoning, use value assessments, Forest Crop, Managed Forest,
   185 agreements, rarmiand preservation or exclusive agricultural zoning, use value assessments, Forest Crop, Managed Forest 186 Conservation Reserve Program, wetland mitigation, shoreland zoning mitigation plan or comparable programs), along with 187 disclosure of any penalties, fees, withdrawal charges, or payback obligations pending, or currently deferred, if any. This 188 contingency will be deemed satisfied unless Buyer delivers to Seller, within 7 days after the deadline for delivery, a notice
   189 terminating this Offer based upon the use restrictions, program requirements, and/or amount of any penalty, fee, charge, or
  190 payback obligation.
191 CAUTION: If Buyer does not terminate this Offer, Buyer is hereby agreeing that Buyer will continue in such
192 programs, as may apply, and Buyer agrees to reimburse Seller should Buyer fail to continue any such program
193 such that Seller incurs any costs, penalties, damages, or fees that are imposed because the program is not
   194 continued after sale. The Parties agree this provision survives closing.
          MANAGED FOREST LAND: If all, or part, of the Property is managed forest land under the Managed Forest Law (MFL)
          program, this designation will continue after closing. Buyer is advised as follows: The MFL is a landowner incentive program that encourages sustainable forestry on private woodlands by reducing and deferring property taxes. Orders
          designating lands as managed forest lands remain in effect for 25 or 50 years. When ownership of land enrolled in the MFL program changes, the new owner must sign and file a report of the change of ownership on a form provided by the
  198
  199
          Department of Natural Resources and pay a fee. By filling this form, the new owner agrees to the associated MFL management plan and the MFL program rules. The DNR Division of Forestry monitors forest management plan
  200
  201
          compliance. Changes a landowner makes to property that is subject to an order designating it as managed forest land
          or to its use, may jeopardize benefits under the program or may cause the property to be withdrawn from the program and may result in the assessment of penalties. For more information call the local DNR forester or visit

          USE VALUE ASSESSMENTS: The use value assessment system values agricultural land based on the income that
 207
          would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural
          land to a non-agricultural use (e.g., residential or commercial development), that person may owe a conversion charge.

          FARMLAND PRESERVATION: The early termination of a farmland preservation agreement or removal of land from such
         an agreement can trigger payment of a conversion fee equal to 3 times the per acre value of the land. Contact the Wisconsin Department of Agriculture, Trade and Consumer Protection Division of Agricultural Resource Management or

         wist http://www.datcp.state.wi.us/ for more information.

CONSERVATION RESERVE PROGRAM (CRP): The CRP encourages farmers, through contracts with the U.S. Department of Agriculture, to stop growing crops on highly erodible or environmentally sensitive land and instead to plant a protective cover of grass or trees. CRP contracts run for 10 to 15 years, and owners receive an annual rent as well as
 216
         certain incentive payments and cost share assistance for establishing long-term, resource-conserving ground cover. Removing lands from the CRP in breach of a contract can be quite costly. For more information call the state Farm Service

         SHORELAND ZONING ORDINANCES: All counties must adopt uniform shoreland zoning ordinances in compliance with
 221
         Wis. Admin. Code Chapter NR 115. County shoreland zoning ordinances apply to all unincorporated land within 1,000
         feet of a navigable lake, pond or flowage or within 300 feet of a navigable river or stream and establish minimum standards

         for building setbacks and height limits, cutting trees and shrubs, lot sizes, water runoff, impervious surface standards (that
         may be exceeded if a mitigation plan is adopted and recorded) and repairs to nonconforming structures. Buyers must conform to any existing mitigation plans. For more information call the county zoning office or visit https://dor.wi.gov/
         Buyer is advised to check with the applicable city, town or village for additional shoreland zoning or shoreland-wetland

229 FENCES: Wis. Stat. § 90.03 requires the owners of adjoining properties to keep and maintain legal fences in equal shares
230 where one or both of the properties is used and occupied for farming or grazing purposes.
231 CAUTION: Consider an agreement addressing responsibility for fences if Property or adjoining land is used and
232 occupied for farming or grazing purposes.
233 PROPERTY DEVELOPMENT WARNING: If Buyer contemplates developing Property for a use other than the current use,
234 there are a variety of issues that should be addressed to ensure the development or new use is feasible. Buyer is solely

236 ordinances, recorded building and use restrictions, covenants and easements may prohibit certain improvements or uses 237 and therefore should be reviewed. Building permits, zoning or zoning variances, Architectural Control Committee approvals,

RIDER TO OFFER TO PURCHASE dated October 26, 2023

The following terms and conditions shall be deemed to be a part of the foregoing attached WB-13 Vacant Land Offer to Purchase between Red Earth, LLC, a Wisconsin limited liability company ("Buyer") and Sheboygan Lakeview Property, LLC, a Wisconsin limited liability company ("Seller") dated October 26, 2023 ("Offer") for the real estate described in the Offer ("Property"). The terms of this Rider shall supersede any conflicting provisions in the Offer. Buyer is aware that the Property is being sold in as is condition. The Offer and this Rider are collectively referred to herein as the "Agreement".

- Contingencies: Buyer's and Seller's obligation to conclude this transaction shall be contingent upon the following:
 - A. Buyer's Inspection/Review Period: Buyer shall have one hundred eighty days (180) days after Seller's acceptance of this Offer (such period being the "Inspection/Review Period") to review Seller Documents in Seller Possession provided as part of the Offer, to conduct physical inspections of the Property as permitted in this Rider and to obtain approvals deemed necessary by Buyer to allow the Buyer to use the Property for Buyer's intended use, which includes but is not limited to agreeing to the terms of a development agreement. Buyer shall have ninety (90) days after Seller's acceptance of this Agreement to present the initial conceptual site plan for multi-family development to the Wisconsin Department of Natural Resources (WDNR) and the City of Sheboygan to obtain written confirmation (which may be via letter and/or e-mail communications with the WDNR and City of Sheboygan) if both parties are initially receptive to the initial conceptual plan (such period being the "Initial Reception Period"). If Buyer is unable to obtain approvals during the Initial Reception Period or is dissatisfied with the Property for any reason whatsoever during the Inspection/Review Period, Buyer may terminate this Agreement by giving written notice of termination to Seller at any time prior to expiration of the Initial Reception Period or Inspection/Review Period, as applicable. If Buyer so timely terminates this Agreement, as applicable, Knight Barry Title Company ("Title Company") shall return all refundable earnest money to Buyer in accordance with the terms of Section II(B) of this Rider.

Buyer shall have two (2) options to extend the Inspection/Review Period, each for a ninety (90) day period upon written notice to Seller within five (5) days of expiration of the Inspection/Review Period, as may have been timely extended, for municipal approval of Buyer's planned development of the Property and additional investigation of issues that arise from the permitted physical and environmental inspections. At the time Buyer exercises its first extension option, Ten Thousand and 00/100 Dollars (\$10,000,00) of the initial Earnest Money deposit will become nonrefundable and shall be payable to Seller upon Buyer's default of this Agreement. At the time Buyer exercises its second extension option, all of Buyer's inspection contingencies shall be waived and Buyer's extension shall only relate to Buyer securing municipal approval of Buyer's planned development of the Property. Further, Buyer shall deposit with Title Company an additional Twenty Thousand and 00/100 Dollars (\$20,000.00) (the "Additional Earnest Money") at the time of Buyer's exercise of its second extension option. The Additional Earnest Money shall be nonrefundable and shall be payable to Seller upon Buyer's default of this Agreement. A total of \$30,000.00 of Earnest Money will be nonrefundable but shall be applied to the Purchase Price at closing.

B. ALTA Survey/Certified Survey Map: Seller has provided the existing ALTA Survey and

Certified Survey Map that Seller has in its possession. Buyer, at Buyer's sole expense, may obtain an updated ALTA Survey and Certified Survey Map (either individually or together being the "Survey") of the Property prepared by a certified Wisconsin surveyor within thirty (30) days of full and mutual execution of the Agreement (the "Survey Period").

C. Title and Survey Objections: Buyer's right to object to matters of title and Survey, respectively, shall expire within twenty (20) days after the later to occur of (i) receipt from Seller of the title commitment, or (ii) Buyer's receipt of the Survey (provided Buyer's right to object to matters of title and Survey shall in no event extend passed twenty (20) days after expiration of the Survey Period), as applicable. If Seller is unable or unwilling to remove any objections Buyer has with respect to the title commitment or Survey, Seller shall notify Buyer in writing ("Seller's Notice") within three (3) business days after Seller's receipt of Buyer's notice of objections, which objections Seller is unwilling or unable to remove. If Seller fails to deliver Seller's Notice within such three (3) business day period, Seller shall be deemed to have not agreed to cure any of Buyer's objections. Buyer shall elect, in writing within three (3) business days thereafter, either to: (i) terminate and cancel the Agreement, in which case all Earnest Money (less \$100) shall be returned to Buyer and, except as set forth in this Agreement, neither party shall have further obligations hereunder; or (ii) waive the title objections and proceed to closing. If Buyer fails to make an election as set forth above, the parties shall proceed to closing.

Contingencies Waived or Satisfied:

If Buyer does not provide Seller written notice of any objection or termination of the Agreement within the respective contingency timeline, such contingency shall automatically be deemed waived and satisfied.

II. Additional Provisions:

A. Access to Property:

Buyer shall provide Seller with at least twelve (12) hour written notice with full description for Seller approval of the inspections that Buyer or Buyer's agents, employees or independent contractors desire to conduct on the Property. Upon Seller authorizing such inspections in writing, Buyer shall have access to the Property for the purpose of completing approved inspections at Buyer's sole cost. Notwithstanding anything to the contrary, in no event shall Buyer perform any invasive testing or Phase II Site Assessment on the Property without Seller's prior written consent. Buyer shall keep confidential any information disclosed in its investigations and testing, (i) except to the extent required by law, (ii) unless Seller requests the same from Buyer in writing (which Buyer shall thereafter promptly provide), and (iii) except to allow Buyer to share any findings with its professional contractors and City of Sheboygan staff to create a site mitigation/material management/capping plan, and this obligation shall survive termination of this Agreement. Buyer shall not permit any liens to attach to the Property by reason of such activities. Buyer or Buyer's contractors shall maintain liability insurance for all such activities on the Property, which shall name Seller as an additional insured party. Any material damage to the Property caused by Buyer or its agents shall be repaired as directed by Seller, and the Property shall be restored to substantially the condition existing prior to Buyer's due diligence activities at the sole cost and expense of Buyer. Buyer agrees to indemnify and hold Seller harmless from and against any and all claims or liability arising from Buyer's due diligence activities, which indemnity shall survive closing or termination of this Agreement, except that such indemnification shall not apply to claims and liabilities related to Property conditions discovered during performance of said due diligence activities that Buyer does not exacerbate.

B. Earnest Money Escrow Payment:

Buyer shall deliver to Title Company and all earnest money deposits made required in the Agreement via wire transfer. Title Company shall provide instructions for Buyer's wiring earnest money upon binding acceptance.

Title Company shall hold and disburse these funds in accordance with the terms of the Agreement, and shall rely upon a good faith decision based upon advice of an attorney not representing any party to the Agreement. In addition, in the event of a dispute and Title Company's inability to comply with any of the foregoing provisions for payment, Title Company may deposit the funds into the Circuit Court for Sheboygan County where the Property is located, and thereafter be relieved from responsibility. On any disbursement to which the Buyer and Seller do not agree, Title Company shall send written notice to all parties of the intent to disburse. The notice shall state to whom, the amount and when the disbursement will be made, and the disbursement shall not occur until at least ten (10) days after mailing the notice.

Title Company shall not be liable for any acts or omissions performed in good faith pursuant to this Agreement. Also, the undersigned parties shall hold Title Company harmless from all reasonable actions taken in accordance with this Agreement and agree to share all out-of-pocket expenses incurred by Title Company, which may arise out of this Agreement.

C. Reserved.

Section 1031: Either party may elect to assign this Agreement to a qualified Intermediary or third party to complete a like kind exchange of property in accordance with Section 1031 of the Internal Revenue Code of 1987, as amended. The parties agree to cooperate with each other and/or a third party in a manner reasonably necessary to complete the exchange; provided, however, any such election shall be at no cost or liability to the other party. Should this Agreement become part of a Section 1031 transaction, the non-electing party may enforce any and all representations, warranties, covenants and other obligations of the electing party under this Agreement directly against the electing party.
- D. BUYER ACKNOWLEDGES AND AGREES THAT, TO THE MAXIMUM EXTENT PERMITTED UNDER LAW, THE SALE OF THE PROPERTY IS MADE ON AN "AS IS, WHERE IS, WITH ALL FAULTS" BASIS, AND THAT THE PURCHASE PRICE HAS BEEN NEGOTIATED TO REFLECT A SALE ON SUCH BASIS. THE AS-IS PROVISIONS OF THIS RIDER SHALL SURVIVE CLOSING AND BE INCLUDED IN THE DEED BY WHICH CONVEYANCE OF THE PROPERTY IS MADE. BUYER WAIVES ANY RIGHT TO ANY REAL ESTATE CONDITION REPORT, VACANT LAND DISCLOSURE REPORT OR SIMILAR DISCLOSURE FROM SELLER THAT MAY OTHERWISE BE REQUIRED BY WISCONSIN OR FEDERAL LAW.

FOR VALUE RECEIVED, the City of Sheboygan, Sheboygan County, Wisconsin (the "City"), promises to pay to Malibu Apartments, LLC (the "Developer"), or registered assigns, but only in the manner, at the times, from the source of revenue and to the extent hereinafter provided, the Revenues described below, without interest.

This MRO shall be payable in installments of principal due on October 31 (the "Payment Dates") in each of the years and in the amounts set forth on the debt service schedule attached hereto as <u>Schedule 1</u>.

This MRO does not constitute an indebtedness of the City within the meaning of any constitutional or statutory limitation or provision. This MRO shall be payable solely from Available Tax Increment generated by the Property and appropriated by the City's Common Council to the payment of this MRO (the "Revenues"). Reference is hereby made to the Resolution and the Development Agreement for a more complete statement of the revenues from which and conditions and limitations under which this MRO is payable and the general covenants and provisions pursuant to which this MRO has been issued. The Resolution and Development Agreement are incorporated herein by this reference.

If on any Payment Date there shall be insufficient Revenues appropriated to pay the principal due on this MRO, the amount due but not paid shall be deferred. The deferred principal

shall be payable on the next Payment Date until <u>the earlier of</u>: (a) the date this MRO is paid in full, and (b) the Final Payment Date (as defined below). The City shall have no obligation to pay any amount of this MRO which remains unpaid after the Final Payment Date. The owners of this MRO shall have no right to receive payment of any deferred amounts, unless there are available Revenues which are appropriated by the City's Common Council to payment of this MRO. The "Final Payment Date" is October 31, 2051.

At the option of the City, this MRO is subject to prepayment in whole or in part at any time.

The City makes no representation or covenant (express or implied) that the Available Tax Increment or other Revenues will be sufficient to pay, in whole or in part, the amounts which are or may become due and payable hereunder.

The City's payment obligations hereunder are subject to appropriation, by the City's Common Council, of Tax Increments or other amounts to make payments due on this MRO. In addition, as provided in Section 5.3 of the Development Agreement, the total amount of principal to be paid shall in no event exceed *the lesser of*:

- (a) Eight Million Dollars (\$8,000,000.00), and

For the avoidance of any doubt, the Available Tax Increment for MRO payments made during the life of the District in 2027, 2028, 2029, 2030 and 2031, if made, shall equal ninety-five percent (95%) of the difference between the Tax Increment actually received by the City in such year and allocated for payment on the MRO <u>less</u> the Priority Project Costs, and the Available Tax Increment for MRO payments made during the life of the District for every year after 2031 but prior to or on the Final Payment Date, if made, shall equal seventy-five percent (75%) of the difference between the Tax Increment actually received by the City in such year and allocated for payment on the MRO <u>less</u> the Priority Project Costs.

When such amount of Revenues has been appropriated and applied to payment of this MRO, the MRO shall be deemed to be paid in full and discharged, and the City shall have no further obligation with respect hereto. Further, as provided in Sections 5.1, 5.3 and 11.1 of the Development Agreement or otherwise, the City's obligations to make payments on this MRO may be suspended or terminated in the event Developer is in Default under any of the terms and conditions of the Development Agreement, provided payments may be resumed when any such Default is timely cured and any payments missed due to an uncured Default also shall be paid from Available Tax Increment upon timely cure of such Default.

THIS MRO IS A SPECIAL, LIMITED REVENUE OBLIGATION AND NOT A GENERAL OBLIGATION OF THE CITY AND IS PAYABLE BY THE CITY ONLY FROM THE SOURCES AND SUBJECT TO THE QUALIFICATIONS STATED OR REFERENCED HEREIN. THIS MRO IS NOT A GENERAL OBLIGATION OF THE CITY, AND NEITHER THE FULL FAITH AND CREDIT NOR THE TAXING POWERS

OF THE CITY ARE PLEDGED TO THE PAYMENT OF THE PRINCIPAL OR INTEREST OF THIS MRO. FURTHER, NO PROPERTY OR OTHER ASSET OF THE CITY, EXCEPT THE ABOVE-REFERENCED REVENUES, IS OR SHALL BE A SOURCE OF PAYMENT OF THE CITY'S OBLIGATIONS HEREUNDER.

This MRO is issued by the City pursuant to, and in full conformity with, the Constitution and laws of the State of Wisconsin.

Except as otherwise expressly provided for in the Development Agreement, this MRO may be transferred or assigned, in whole or in part, only upon prior written consent of the City which may be withheld, conditioned or delayed for any reason. Interests in this MRO may not be split, divided or apportioned, except as set forth herein. In order to transfer or assign the MRO, if permitted by the City, the transferee or assignee shall surrender the same to the City either in exchange for a new, fully-registered municipal revenue obligation or for transfer of this MRO on the registration records for the MRO maintained by the City. Each permitted transferee or assignee shall take this MRO subject to the foregoing conditions and subject to all provisions stated or referenced herein.

It is hereby certified and recited that all conditions, things and acts required by law to exist or to be done prior to and in connection with the issuance of this MRO have been done, have existed and have been performed in due form and time.

IN WITNESS WHEREOF, the Common Council of the City of Sheboygan has caused this MRO to be signed on behalf of the City by its duly qualified and acting City Administrator and City Clerk, and its corporate seal to be impressed hereon, all as of the date of original issue specified above.
